## OUR FRUIT JUICE DRINKS

delivering freshness to you/your customers is our single mission.

Our fruit juice drinks are made from the highest quality ingredients, expertly selected. Every fruit juice drink is made to order, batch to batch, to ensure maximum freshness, flavor and attention to detail. Our fruit juice drinks are gently pasteurized to ensure food safety and manageable shelf life. The result is supreme quality and dazzling flavor. Words and pictures simply do not do our juice drinks justice. Taste is the only way to truly experience pure flavor; the REAL fruit juice drinks way. Our fruit juice drinks are gluten free with no added preservatives.

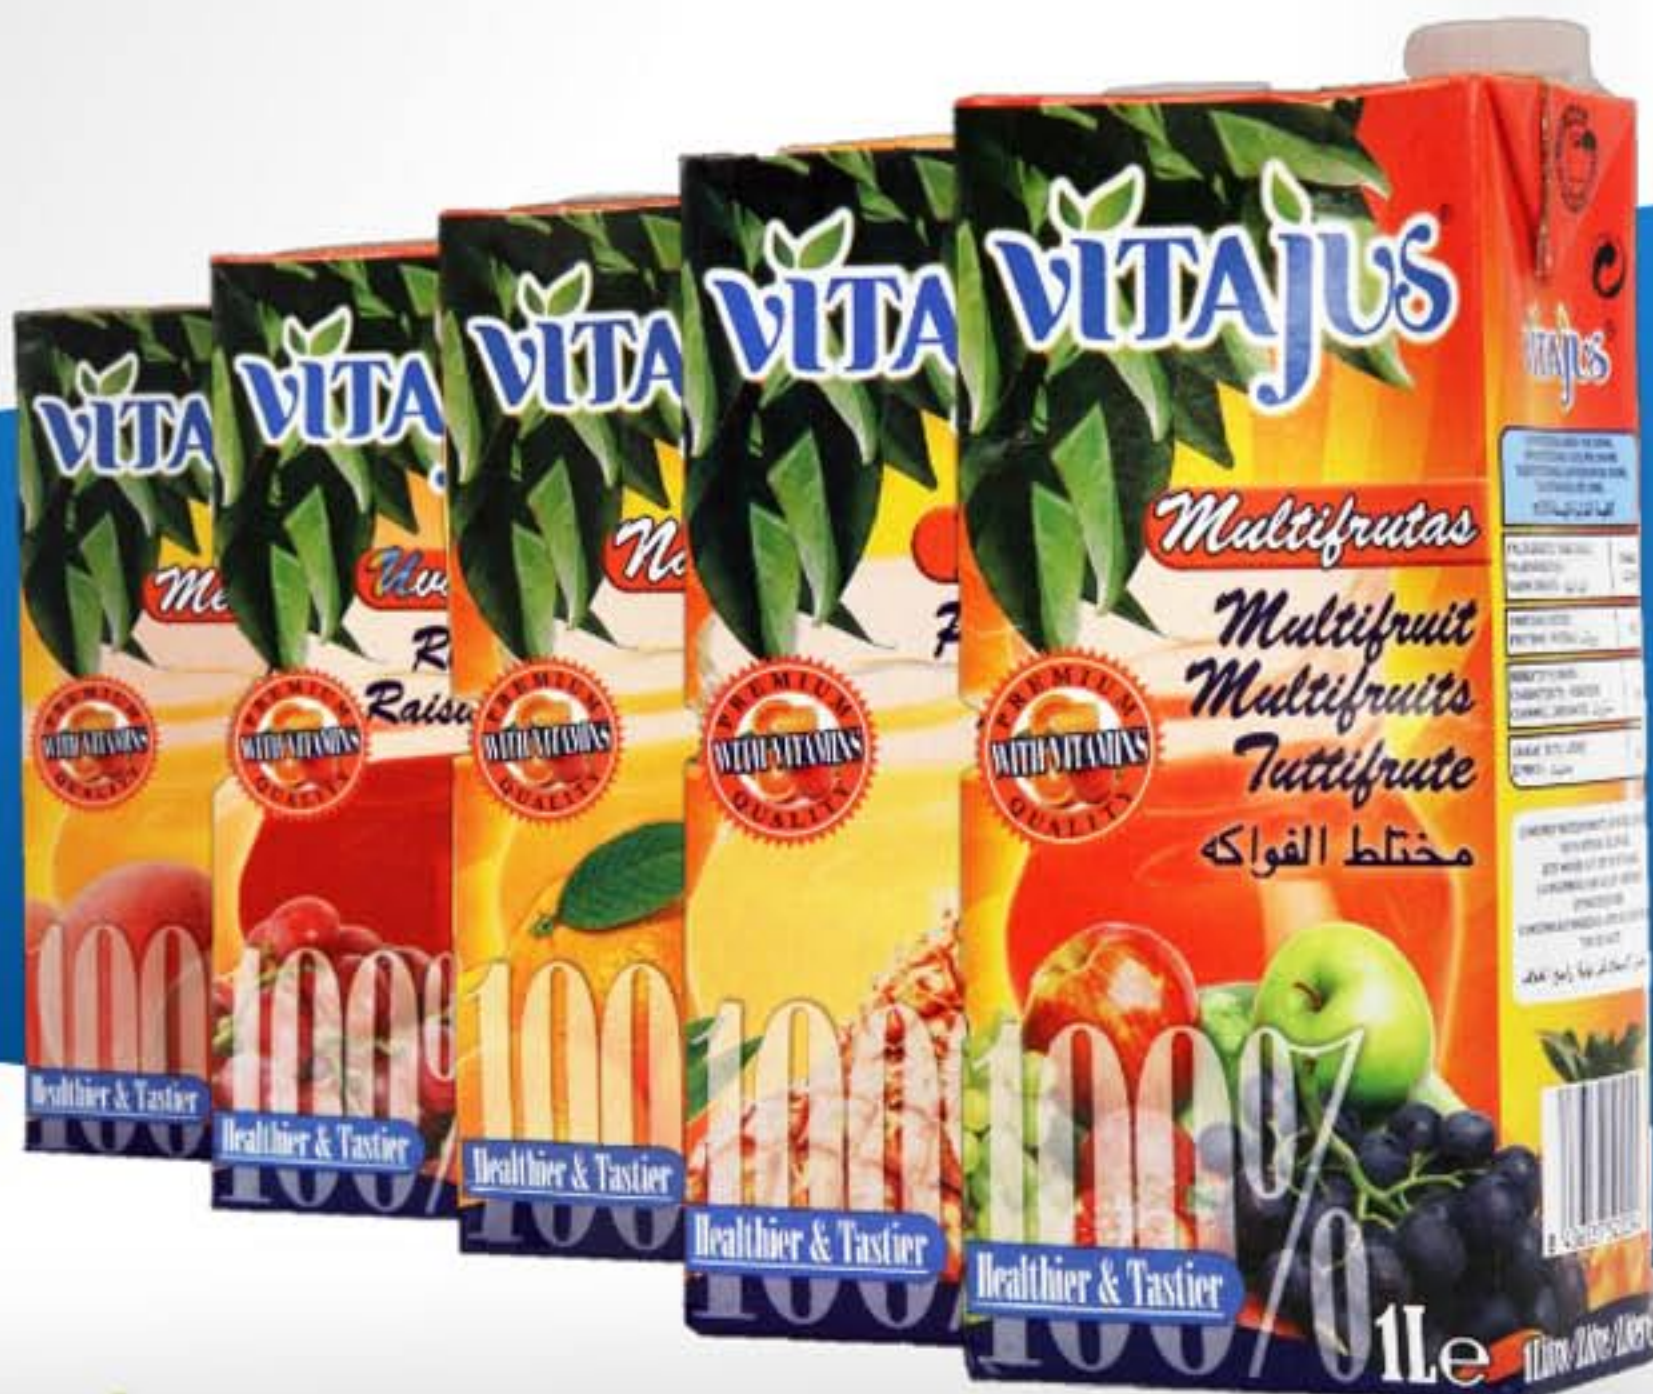

Our fruit juice drinks are the taste of real fruit.

## OUR MALT

## BEVERAGES

Our malt beverage products are among the most Internationally recognized Spanish brands in the World, available in more than 90 countries.

Our product continues to be brewed according to the original recipe from 1516 and with the same "A" category yeast like in older times. This recipe and the extensive quality control methods have made our product what it is today. The fresh and fruity yeast aroma together with the mildly bitter taste are key characteristics. Our brands are widely supported on a Global scale through sponsorships and International advertising. Our malt beverages are products for those who seek great taste experiences.

# OUR WINES

In our vineyards all our elementary conditions make for high quality wines, from which one can differentiate all their unique characteristics from other wines.

Besides a careful selection of grapes, we have the best soil, climate and wineries to produce the best wine you've ever tasted.

Our wines have been bottled since 1815 in Spain, a dynamic country with an ideal climate for viticulture. Our wines are perfect to accompany your meal or enjoy a relaxing moment with a glass of wine.
